**Eureka** – contains 20 years of archives, is a well known franco-phone resource available in text and PDF files.

**Canadian Point of View** – provide students with a series of essays on 100 key topics of interest of Canadian researchers.

**Teen Health and Wellness** – provides curricular support and self-help on subjects like diseases, drugs & alcohol, nutrition, mental and emotional health, cyber literacy, family life, sexuality and more.

**Auto Repair Centre** – automotive repair information on most manufacturers of domestic and imported vehicles.

**Ancestry Library** – for use in library only, it is a vast collection of approximately 4,000 genealogical databases, including key collections such as U.S. federal censuses from 1790 to 1930; census indexes from England and Wales from 1841 to 1901; civil registration of births, marriages and deaths for England, Wales, the Channel Islands and the Isle of Man from 1837 to 1983, and more.
