

Fortune Teller Origami

The four corner squares will be the outside of your Fortune Teller Origami. Decorate with symbols that remind you of your library and community. It is a good idea to go ahead and put the Fortune Teller Origami together before filling in questions and numbers as this will give you a better idea of how it works.

Fortune Teller Origami

Instructions for folding:

1. Cut around square on the dotted line.
2. Flip paper over so that pictures are facing down. Fold all four corners together. Corners should meet in the middle.
3. Flip over and fold all corners to meet in the middle.
4. Fold in half from side to side, then fold in half from top to bottom.
5. Use your thumbs and pointer fingers to fill in peaks.
6. Open Origami and write numbers 1 - 8 on each of the triangles in the mouth.
7. Flip numbered triangles open and write in question and answers based on you community.

Instructions on how to play:

1. Spell out the word “library”, while you open and close the fortune teller origami.
2. Choose a number, open and close the fortune teller origami using that number.
3. Choose a number, flip open the triangle and read the question.
4. Once the other player gives an answer, check their answer by opening up the origami fortune teller.
5. Take turns between players until all questions have been asked.
