# Grants

## Project Funding - Arts and Culture

## Project Funding - Summer Students

## Granting Tips

- Read each organization's Strategic Plan, Mission, Mandate, and Vision.
- Find and outline synergies between the your library and the funding agency's goals and objectives.
- In some cases, partnering with other organizations makes for a stronger application.
- Most agencies prioritize applications with a large and diverse audience.
- Use "buzzwords" like revitalization and collaboration.
- Request support letters from partners and community supporters.
